

You Can Help to Measure Light Pollution in Oregon!

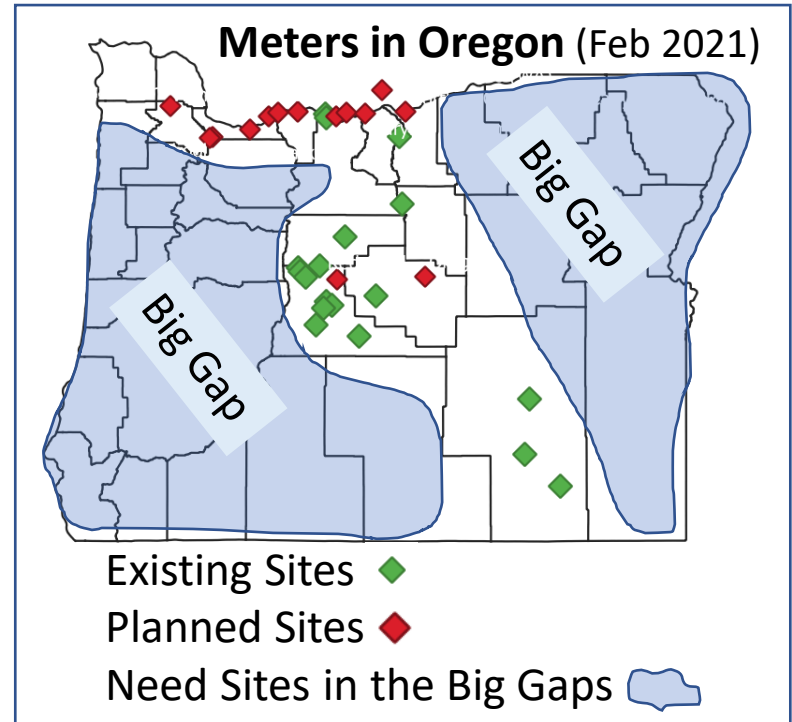

Meter

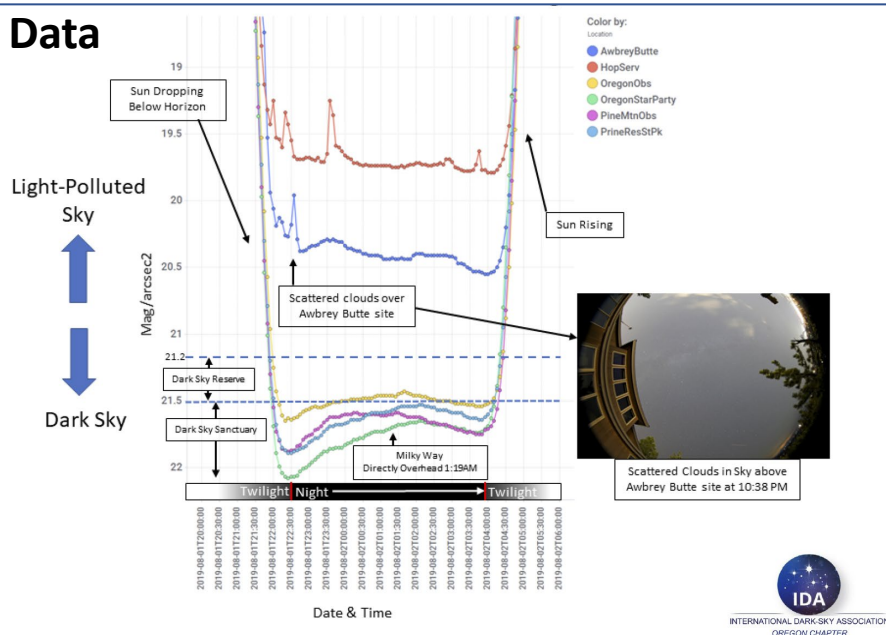

Sky Quality Meter in Weatherproof Housing

We are using the [SQM-LU-DL recording meter from Unihedron](#)

Data

Oregon Chapter of IDA

- Measuring light pollution for 2 years
- Now expanding coverage during 2021
- Want to sprinkle Meters in the Big Gaps
- Need volunteers to manage a Meter
- Excellent School Environmental Project
- [Buy your own meter?](#)
